

Lawyer Referral Service Cambridge

Lawyer Referral Service Cambridge - People with a high-net worth as well as their families need some type of estate planning and wealth management. We ensure that our clients and their assets are protected all through their lifetime and after death. Also, we make certain that these assets are properly distributed in an orderly and tax efficient way to their descendants.

The aspects of executorships, administration, trusts and estates, taxes and connected dispute solutions are all handled by our estates and wealth management group. We have broad skill about powers of attorneys, trusts and the preparation of wills. We ensure that, in the event of death, double taxation and other unfavorable tax results.

We specialize in succession planning for both family-owned and private companies. We have clients coming to us for our work. Our clients use the several service separation of investment assets from business assets, exit strategies, estate freezes and variable share structure.
