

Estate Planning Cambridge

Estate Planning Cambridge - Among the most essential areas of our company's practice is wealth preservation. The lawyers within our Wills and Estates field are skilled in dealing with all matters concerning the legal needs related to testamentary dispositions.

The formation of trusts, estate planning, preparation of wills and establishment of charitable bequests are just a few of the numerous aspects that are covered under the broad definition of Wills and Estates. Our teams of lawyers would be fairly pleased to help you with whichever of these issues, as well as helping you with other instruments or deeds associated to the field of personal estates.

In addition to the above, our services also extend to offering suggestion to trust companies or individuals. We assist them in planning the administration of estates, grant recommendation to estate beneficiaries concerning protection of their legal rights, and services that help make sure that the obligations and duties of trustees and executors are clear and understood by everyone involved.
