

Cambridge Tax Lawyer

Cambridge Tax Lawyer - Our firm specializes in the handling the several tax disputes matters and has significant experience in tax litigation. Lots of companies need our assistance to help them negotiate with tax authorities. We often represent them before the courts on tax appeals.

Our firm is plenty experienced and knowledgeable in capital, income, mining and commodity taxation and trade cases. We utilize all of our resources which we have on hand to help assure that our client is ready and prepared to handle audits, information requests, reassessment proposals, and voluntary disclosures. Our tax solicitors normally call upon our tax litigators early on to advise our clients concerning the tax aspects of a transaction. Should a reassessment be unavoidable, we attempt to solve the dispute making use of administrative appeals. If this method does not acquire favorable outcome, we attempt to simplify the condition previous to beginning the litigation process. Our main goal is to be able to help our clients come to a resolution efficiently and quickly.

Among our recent cases have comprised transfer pricing, interpretative questions and tax avoidance. These questions comprise scientific research and experimental development expenses, foreign exchange, taxable benefits, and commodity and payroll taxes.

Our base of clients include several domestic and foreign businesses, including partnerships and public institutions, tax-exempt businesses, as well as several companies in the areas of financials, telecommunications, pharmaceuticals, and utilities. We guarantee that a close working relationship is maintained on both an international and domestic level along with chief financial officers, accountants, tax advisors, and tax executives.
