

Immigration Lawyers in Cambridge

Immigration Lawyers in Cambridge - Among the aspects of employment law which our company is trained at include the drafting of employment and independent contractor agreements, providing recommendation about human rights and legislative requirements, and educating both employees and employers regarding the subject of wrongful dismissal.

Employment law plays a huge role and can have a devastating effect on the workplace should it be disregarded. Some of the probable damages include creating an unstable working environment, the loss of valued employees and lost revenue. Whichever of these issues can begin to tarnish a businesses name. At our firm, we strongly encourage our clients to make employment and independent contractor agreements, as well as workplace training, to try and lessen future concerns.

Our company has proudly represented our clients in all levels of court within British Columbia. We even have extensive understanding in mediations and arbitrations.

Some of the aspects of employment-related claims that our firm has knowledge in are drawing up employment and contractor agreements, advising about employment standards, human rights, worker's compensations, and occupational health and safety matters, helping prepare workplace manuals, and taking part in mediation and arbitration.
