

Real Estate Lawyer Cambridge

Real Estate Lawyer Cambridge - Our company's Real Estate Development lawyers advise clients in relation to major commercial real estate development projects. We have played leading roles in negotiating complex partnership, co-ownership and joint venture structures. We are here to help throughout the entire development process. We help clients with development approvals, take-over financing, final contract negotiation and environmental compliance advice.

We have represented a lot of the biggest insurance lenders in the transaction of real properties, in addition to working with and representing chartered banks, pension funds and credit unions. We have a tremendous amount of experience in project financing and commercial real estate transactions. We have accumulated extensive skill through our involvement in among the biggest commercial real estate transactions and financing arrangements in the nation. Ownership structures like limited partnerships, joint ventures, syndications and corporations fall within our field of expertise. We are well versed in financing instruments, including mortgage bonds, mortgages, leasehold financing and different secured financing arrangements.

We provide advice and numerous services to investors and developers of multi-unit residential and commercial properties, consisting of shopping malls, residential, industrial and commercial projects. Our clients comprise individual owners and investors, private and public businesses, pension funds, trusts, life insurance companies and foundations.
