Cambridge Lawyers Directory - Tax laws as well as the rules that govern them are quite intricate and complex. To be able to help guide our clients the development of tax strategy, we present our clients with valued and informed suggestion. Our firm offers various services comprising tax planning, counsel and litigation. Our lawyers are affordable and effective and will offer excellent services and advice.

Our base of clientele is somewhat varied, from the large multi-million dollar corporations within the trades of mining, finance, forestry and manufacturing or to small business such as individual estates, start-ups, pension funds and trusts. We even provide help to charitable foundations. We have headquarters in Asia, Canada and the United States.

Our expertise in certain business tax conditions, specifically those in international taxation and commodity tax, is renowned within the trade. We discuss with our estate and trust lawyers to be able to give the client with up-to-date recommendation regarding pensions, offshore trusts, charitable giving, employee benefits and estate planning. Our firm is often called upon to provide opinions and advice about the laws governing global and local taxation. We even concentrate in securities, real estate transactions, as well as the structuring and closing of corporate accounts.

Our firm places a large emphasis on its practice in litigation. Our lawyers are fully capable in representing clients inside the courtroom but are equally skilled at negotiating outside the courtroom. Tax disputes, specifically those cases about the goods and services tax, cross-border taxation, the North American Free Trade Agreement, industry subsidies, and provincial sales tax, are another one of our firms specialties. Clients may depend on our firm to be able to write proposals to the federal and provincial finance and revenue ministries in search of legislative amendments.
