

Cambridge Injury Lawyer

Cambridge Injury Lawyer - Our company's Class Action lawyers are experienced and knowledgeable within both defending and advancing class actions. The somewhat plaintiff-friendly nature of class action legislation has caused the start of class procedures which are national in scope. We have a well-developed network of relationships along with class action counsel within different provinces, enabling us to mount a coordinated method in cases where parallel proceedings have been initiated in other jurisdictions.

Normally, class actions tend to create more financial exposure and a higher level of public scrutiny as opposed to various kinds of procedures. Our teams of lawyers have been involved in a lot of class action suits, like for instance taxation, securities, product liability claims and insurance. Our clients benefit from our depth of skill and extensive resources.
