

Criminal Law Cambridge

Criminal Law Cambridge - Our company's legal professionals, trade-mark agents and patent agents have experience in the area of intellectual property. Our lawyers in particular, are highly experienced in helping our clientele in developing intellectual property strategies and assisting our clients to create draft applications.

With over 30 years of experience dealing with intellectual property, our senior lawyers are renowned for their knowledge and skill. Over time, we have expanded our companies worldwide so as to guarantee that our Canadian and global clients have access to intellectual property protection.

Intellectual property is extremely valuable in a knowledge based economy, specially as the globe in constantly in a state of change. By using our company and our lawyer's innovative legal advice, our clients could realize the full potential of their intellectual property. Our advice also helps protect them against competition, infringement, and counterfeiting.

We have lots of professionals in our intellectual property Group, consisting of professional engineers, scientists and PhDs who are leaders in patents, trade-marks, copyright, industrial design, and intellectual property disputes and agreements.

We make sure that each of our clients is matched with a registered trade-mark and patent agent so as to help guarantee that their intellectual property is well protected.
