

Personal Injury Lawyer in Cambridge

Personal Injury Lawyer in Cambridge - The two most common clients our company represent are self-insured corporations and insurance companies. All our lawyers are very experienced and knowledgeable in insurance law. When self-insured corporations and insurers approach us, we deal with their cases with expertise and efficiency.

In every new case, we first ascertain our clients goals so that we can best create a solution based litigation strategy which will attain them. We make sure that the plan is carried out cost-effectively and efficiently, using all of our experience and resources.
