

Car Accident Lawyers Cambridge

Car Accident Lawyers Cambridge - In today's litigious environment, class actions present significant difficulties to governments, businesses as well as other groups. Our Class Action Group offers the strategic and technical knowledge considered necessary for the successful defense of class proceedings. We are pioneers in this evolving and difficult area of the law. Our ability to manage complicated, multi-party litigation is proven by our record in the field of class actions.

We have acted in and advised for numerous class action cases. Our experienced lawyers are frequently called in to coordinate, lead and participate the defense of multi-jurisdictional class proceedings. Our skill encompasses mass torts like for instance products liability cases, pension's claims, other investor's and securities claims, biotechnology and commercial claims.

Our Class Action Team is here to advise clients with respect to class action problems that have not yet matured into issued claims, and our litigators are here to assist in responding to class proceedings when commenced.

We are considered to be leading educators on the area of class actions. Our members have authored various articles and presented at international and national conferences.
