

Securities Lawyer Cambridge

Securities Lawyer Cambridge - Clients rely on us to assist them in accessing both the public and private capital markets. Our seasoned lawyers offer advice regarding the accumulation of money in the structure of applicable securities regulations, policies and laws. Both issuers and underwriters are part of our client base, seeking assistance with offerings of equity and debt securities. In addition, we likewise represent issuers and investors concerning seed capital and venture capital offerings and private placements. Our company can likewise assist our clients in meeting applicable continuous disclosure and annual meeting requirements.

Our firm often acts for certain law companies all over the nation. We help in the completion of cross-jurisdictional transactions, which usually requires us to evaluate a transaction from the point of view of regulatory compliance, sending any necessary applications to the Securities Commission, and meeting with workers at the Commission.

Among our client base are local and national publicly traded issuers, independent corporate finance firms, venture capital funds, law firms, the securities divisions of chartered banks, investment counsel and portfolio managers, and mutual funds consultants.
