

Cambridge Car Accident Lawyers

Cambridge Car Accident Lawyers - We have among the biggest and really knowledgeable class action defense groups in the country. We have skilled in different law areas comprising competition, employment, environment problems, product liability, pension, professional liability, and securities.

Our company's lawyers are fully capable at coming to a early settlement utilizing our strong negotiating abilities or defending our clients in a trial. Our aim is to create a good plan for you, the one which is efficient and cost effective. As our counsel includes lawyers from numerous jurisdictions, we can provide our clients valuable, knowledgeable advice and a national method with regards to defending multi-provincial class actions. With regards to handling cross-border litigation, we even use our "one team" approach. We have worked directly together with internal and external U.S. defense counsel so as to create a global defense strategy.

In order to ensure that all our clients needs are best represented, we use a multidisciplinary method to enable us to draw upon the knowledge provided by teams in banking, competition, corporate and commercial, labor and employment, intellectual property, securities and pension.
